Mr. Willie Riddick,
919 Faulkland St.,
Norfolk, Va.

Dear Willie:

We want to come back to Norfolk for Sunday, June 15th for a doubleheader with the Phila Stars. If it is properly worked up, it should be a good day, will you see about the Park right away, or do you want me to write directly for it? How many placards would you like to have, and how would you like the newspaper publicity handled. Do you want me to send the stuff directly to the Journal & Guide, or do you have a contact with the sports writer? Maybe you should see him and promise him some money if the game is played, about \$10.00. Please answer me right away, as we would like the Sunday in June to be good.

Very truly yours,
